the community project ...A FILM

Oakley collaborated with some of the best snowboarders in the world to bring you "The Community Project, ...a film" that blends lifestyle and a passion for gravity that brings riders together. Travel with veterans and up-and-comers as they pillage the backcountry of New Zealand, Norway, Japan, Aspen, Whistler, Alaska and beyond. Join pros like Travis Rice, JJ Thomas, Zach Leach, Tyler Lepore, Terje Haakonsen, Bryan Iguchi, Andy Finch, Kyle Clancy, Eero Ettala and Shaun White. And see why it's not the destination. It's the journey.

Available at oakley.com, Oakley O stores and action sports shops worldwide

Imagine an entire music system built into something you're already wearing. No more cords to dangle and tangle. Just the freedom to listen to songs anytime, anywhere, without carrying an extra accessory. Oakley THUMP is the world's first digital music eyewear. Available in two versions, it offers up to one gigabyte of memory. That's 240 of your favorite songs in an eyewear frame with a built-in 75MHz Digital Signal Processor. You also get patented optical clarity, 100% UV filtering, and adjustable speakers that move out of the way when the world has the impudence to interrupt your bliss. Visit oakley.com/thump to find out more.

RAZRWIRE™ \$295
PEWTER/BLACK IRIDIUM
AVAILABLE IN PRESCRIPTION

Add hands-free capability to your mobile phone. RAZRWIRE™ is the first eyewear to combine patented Oakley optics with wireless Motorola Bluetooth® technology. Fully integrated electronics let you handle incoming and outgoing calls easily by linking to your Bluetooth enabled cellphone from a range of up to 33 feet. Carry on a phone conversation without being tethered by a headset wire. The ultra-lightweight design offers the comfort, protection and clarity of Oakley optics combined with third-generation Motorola Bluetooth technology. RAZRWIRE is wearable wireless.

The Bluetooth® trademarks are owned by their proprietor and used by Motorola, Inc. under license. Motorola and the stylized Motorola logo are registered in the US patent and trademark office.
