Oakley Zeros. The most from the least.

The economy of form following function.

Maximum eye protection with minimum

weight. Ultra-light pure Plutonite® stops

100% of all harmful UV and blue light.

Oakley's polaric ellipsoid lens geometry

provides High Definition Optics® (HDO)™.

So Zeros actually exceed ANSI industrial

standard Z87.1 for optical clarity, which

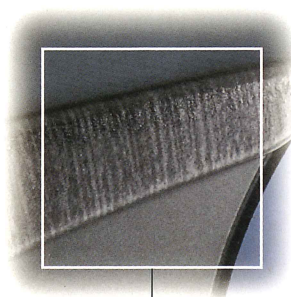

includes testing for prismatic power and

imbalance, refractive power, astigmatism

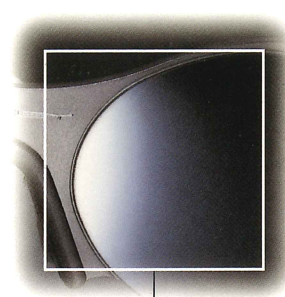

and definition pattern. Zeros. The net result

of Oakley's most advanced optic technology.

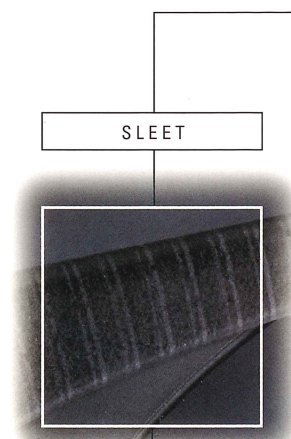

Only at your authorized Oakley dealer.
